Please note that costs may differ depending on group intake size and programme duration.

The figures above indicate the intake costs for the min. of 5 delegates.

## GROUP INTAKE INCLUSIONS

Group intakes may be adjusted in line with group size and the availability of delegates, ensuring that training schedules remain practical and effective for all participants. This flexibility allows KYB Academy to deliver the highest standard of learning while accommodating organisational and individual needs. The cost per delegate includes the following:

- Practical Skills Training, development & work readiness
- Stationary Pack
- PPE
- Accommodation (Bed & Breakfast)
- Transport (Within a 20km Radius)
- Lunch, Dinner and Tea & Coffee

## TERTIARY EDUCATION PREPARATION INTEGRATION

The aforementioned short courses can be seamlessly integrated into various Tertiary Education Preparation Programmes (TEPP) to enrich and broaden the overall learning experience. By combining strong academic foundations with practical, industry-relevant skills, these courses enhance the quality of education delivered and equip students with the competencies required to transition successfully into the workforce. In doing so, they not only support student readiness for higher education but also strengthen employability and alignment with workplace expectations.

For additional information, prospective students are advised to contact KYB Academy directly. Detailed guidance will be provided regarding the structure of the chosen course, as well as the available options best suited to individual academic and career objectives.

## Ignite passion & shape careers through LEARNING

Students will receive a Personal Brand Attire (PBA) Set and Personal Protective Equipment (PPE) Set including:

- Personal Brand Attire (PBA) set:
  - 1 x KYB Branded T-Shirts/Golfers
  - Training Material
